Wine List

Dear Guest,

Having been in the catering business for 31 years and owner of Country Terrace restaurant since 16 years, It is a privilege to share my passion and dedication.

At Country terrace our focus is to present an eclectic choice of wines for our guests to enjoy. My goal is to engage and excite customers about a wine range without confusing them or making them feel intimidated.

The journey will take you from Italy to France, Austria, Spain, Portugal, New Zeland, Chile, Argentina, South Africa, Japan, China and others, returning closer to our home, the wineries of Malta.

From crispy Sauvignon Blanc, to creamy Chardonnay, aromatic Torrontés, to full bodied Shiraz and elegant Pinot Noir grapes varieties, there is a heady mix of aromas awaiting you as you enjoy the culinary talent of our Chef.

We are delighted to share our wine list with you, and we will also be very happy to assist you in making the perfect choice to compliment your meal.

Joseph Mercieca

By the glass

At Country Terrace, we believe it's important to find a wine that you can enjoy with every dish on our diverse menu. With that in mind, we're delighted to offer an exceptionally large selection of wines by the glass. Due to a marvellous new anti-oxidation system; the 'Coravin 1000', we are fully able to decant a glass of wine without even pulling the cork, thus not spoiling the natural ageing of the vintage! Order your glass now.

Red Wine

The Collection of Grand Maitre Wines comes from the private single estate, Ghajn Rihana, with the fruit of each vintage being dedicated to one of the noble Grand Masters of the Sovereign Military Order of Malta. The blend of Cabernet Sauvignon and Cabernet Franc generally produces very concentrated, full bodied wines of an intense, fruity, aromatic character.

This wine can age further and is also a collector's item reaching high prices.

Wine making is a true art form with practitioners all over the world.

Wine is one of the most celebrated and appreciated commodities around the world. Wine writers and scientists tell us much about varieties of wines, winegrowing estates, the commercial value and the biochemistry of wine, but seldom address the cultural, social, and historical conditions through which wine is produced and represented.

To discover the world through its vineyards and its wines is the dream of every enotourist seeking knowledge about the cultures and civilisations of wine. For years, wine has been a product of exchange throughout the world. Even if France has many French wines, it is always nice to taste foreign wine. Vineyard site selection, while virtually unknown in the traditional wine regions of Europe, where inheritance, appellation laws, and plantings rights tend to dedicate vineyard location, is becoming an increasingly important and exact science.

The vineyards from which our wines derive are some of the most beautiful landscapes around the globe. From the Old World vineyards of Europe like France and Italy, to the New World areas of California, Argentina, Australia and the South Africa, vineyards are a sight to behold.

Enjoy this unique selection of gorgeous vineyards around the world that we have selected just for you!
